1. VALLEY WAY - 0.9 MILES | 594 FEET

Start with one hand on the kiosk at Appalachia. Set a stop watch to zero and start it running! Run up Valley Way to the junction with Brookside. Turn left on Brookside.

2. BROOKSIDE - 1.7 MILES | 1350 FEET

Run Brookside to Watson Path, turn right on Watson Path and run Watson Path for 0.1 to Valley Way. Watch for the turn off Brookside to Watson Path very closely. It comes in at a shallow angle and is very easy to miss!

3. WATSON - 0.3 MILES | -75 FEET

Now continue on Watson Path for another 0.2mi, running the faint, short section of Watson Path to Scar Trail. Be careful to stay on the trail here. The tread way is faint for about 200 yards. Continue straight ahead until you reach Scar Trail.

4. SCAR - 0.7 MILES | 525 FEET

Run Scar Trail to Air Line, turn left on Air Line.

5. AIRLINE - 1.2 MILES | 1425 FEET

Run Air Line to Gulfside. Turn right onto Gulfside.

6. GULFSIDE - 0.6 MILES | 365 FEET

Run Gulfside to Thunderstorm Junction. Turn left onto Lowe's Path.

7. LOWE'S PATH - 0.2 MILES | 309 FEET

Run Lowe's Path to the summit of Adams. Touch the sign. Turn off your stop watch. Snap a photo with the time on your watch showing, and the Mount Adams summit sign.
